## Welcome Back

We hope you had a lovely winter break and enjoyed all the careful chosen gifts given to you by your students. I know I did! • We have a quiet start to the new year. There is a member meeting next week. • Drama season has started and we ask that you complete the form that is on the drama website if you have not already done so. Also, remember to pack **extra snacks and drinks** for rehearsals. The students are very hungry after school. **Picking up your thespians when rehearsal ends** is a must, our director, producer and other volunteers would like to get home. Please be respectful of their time. • The Nominations Committee is looking for a member or two to find candidates for the new school year for the PTO Executive Board. If you are interested in a position on the board or being part of the committee, let us know.
